CENTURION OFFERS EMPLOYED LAWYERS PROFESSIONAL LIABILITY COVERAGE

March 2, 2009, TUSTIN, CA – Centurion Liability Insurance Services, LLC (Centurion) is pleased to announce that it now underwrites an Employed Lawyers Professional Liability Coverage which protects corporate counsel against exposures arising from professional legal services.

In-house counsel are trained to be aware of the ever-present threat of administrative, civil, or criminal proceedings against the company, but they may be unaware that they themselves are exposed to such claims and may not be protected by insurance specifically geared to their needs. The Employed Lawyers Professional Liability Coverage offered by Centurion provides for a defense and not merely reimbursement of defense costs. Coverage is worldwide and extends to disciplinary proceedings, violations of Sarbanes-Oxley, personal injury claims and much more.

Centurion has teamed together with experienced and well known underwriters to offer this new program. Zulma Zak, president of Centurion commented, "We have partnered with a superior insurance company to underwrite this professional liability product for our clients. The financial strength of an AM best rating of A- XI - assures our clients that their trust in us is well placed. We are truly excited about this new product offering."
